WHERE DREAMS BECOME REALITIES!

About us . . .

Hello! My name is Troy Trigg! My wife, Lindsay and I are residents of Jackson County. We started a program that offers many recreational and leisure opportunities for people with and without disabilities. We have found this program to be greatly needed and has been rewarding for all of those involved.

The **DREAM** program started in June 2006 with unified softball. Since then we have added unified flag football, basketball, bowling, canoeing, cheerleading and an arts and craft class. In order for this program to be successful we need donations/contributions. Our primary fundraiser for this program is our annual golf tournament.

*By providing a sponsorship, you are taking a **swing** at improving the quality of life in our community.*

Please take a moment to read about the many ways you can help with this annual event and join in the FUN on Friday, April 20, 2012 and Saturday, April 21, 2012.
